

Sometimes
DISASTER STRIKES!

Hurricanes ...

Floods ...

Tornadoes ...

Utility Outages ...

Evacuations ...

What Concerns You?

Do you have ideas for helping our community become better prepared for these and other possible hazard events?

You're invited to bring your ideas and familiarity with the local area to a **Public Meeting** near you on the development of a multi-jurisdictional *All-Hazards Mitigation Plan* being prepared to address natural and human-caused hazards that could potentially affect the Rappahannock-Rapidan Region.

Thursday, April 29, 2004

Wednesday, April 28, 2004
