

Culpeper District Key Contacts

Local Government Relations

Government liaison and communications are managed from the Culpeper District headquarters through the Planning and Investment Office. Primary functions include coordinating and communicating with elected officials and local government staffs and developing the counties' Secondary Six-Year Improvement Programs and annual secondary road budgets. The liaisons will also attend meetings of the Board of Supervisors as requested to provide updates on transportation issues and other concerns and will serve as the primary point of contact for the localities in their area of responsibility.

Government liaison contacts are:

Northern Area: Culpeper, Fauquier, Madison, Orange and Rappahannock counties; towns of Culpeper, Orange and Warrenton

D. Brent Sprinkel, P.E. (Interim)
Transportation and Land Use Director
1601 Orange Road

Culpeper, VA 22701
540-829-7550
Karen.Kilby@VDOT.Virginia.gov

Land Development & Programming

Land development services are administered through the Culpeper District office. The land use program includes traffic impact analysis review, rezoning, site plan review, subdivision plan review and street acceptance, and permitting processes. Additional staff is located in VDOT offices convenient to the localities they serve to address community needs.

Northern Area

D. Brent Sprinkel, P.E.
Planning and Investment Manager
1601 Orange Road
Culpeper, VA 22701
540-829-7552
Brent.Sprinkel@VDOT.Virginia.gov

Maintenance

The mission of VDOT's residencies is now focused on the maintenance of the agency's existing assets and emergency response to incidents involving the transportation network, including weather events. Other functions formerly handled at the residency offices, such as permitting, plan reviews and engineering services are now handled from the district office or the satellite office at Zion Crossroads. Questions or concerns about maintenance issues should be directed to the maintenance managers at the Warrenton and Charlottesville offices.

VDOT has established a Customer Service Center to handle requests for maintenance work that were previously directed to the residencies or area headquarters offices. Calls to those offices will now be routed to the Customer Service Center. The toll-free number for maintenance requests is **800-367-7623**.

Charlottesville Residency (Albemarle, Fluvanna, Greene and Louisa)

Allan Sumpter

Residency Maintenance Manager
701 VDOT Way
Charlottesville, VA 22911
434-293-0011
Allan.Sumpter@VDOT.Virginia.gov
