Fauquier Habitat for Humanity, a locally-run affiliate of Habitat for Humanity International, serves Fauquier and Rappahannock counties in the beautiful Piedmont of northern Virginia.

Since 1991, we've worked in partnership with community churches, businesses, volunteers and families to eliminate the blight of poverty housing: leaky roofs, no indoor plumbing, kitchen or bath facilities, no source of heat, and other unsafe or unsanitary conditions. Fauquier Habitat for Humanity works in partnership with the community and people in need to build and renovate decent, affordable housing. Habitat isn't a "handout". We don't "give" homes away.

Our dedicated volunteers contribute their labor, reducing the cost to build. National sponsors and local businesses provide generous support, as well. Our partner families invest hundreds of hours of labor - 'sweat equity' - into building their homes and the homes of others.

Fauquier Habitat sells the homes to them at cost, with no profit or interest, to keep the mortgages affordable. Then, homeowner mortgage payments go into a revolving Fund for Humanity that is used to build more houses.

### **Assistance to Obtain a Car**

**Catholic Charities of Arlington** has a program that provides the disadvantaged with a car. Please consider the following prior to inquiring:

1. Can they pay for tags, insurance, personal property and other expenses associated with having a car?
2. The caseworker should explain that there is a waiting list and that they can only be put on the waiting list when it opens up (no time frame to when this will happen). This could take several months or longer and that they should be putting away enough money to pay for the above mention expenses.
3. After it is decided that they can wait, the casework must inform them that they must obtain a letter from Social Services stating that they need a car.
4. Once the letter is obtained, the case worker should call 703-841-2531 to find out if the waiting list is opened, if it isn't open they should call once a week until they can get them on the waiting list.
5. Once the list is open, they should inform Catholic Charities that they have a client and that they are mailing the letter from Social Services to them. Send the letter to the below address.

Elithia Cornwell understands that everyone can use a helping hand from time to time. Last fall, she launched Touch of Grace, which provides in-home personal care to anyone, from special needs children to seniors. Elithia recalls how difficult it was for her family when her grandmother could no longer care for herself and had to go into a nursing home. Also, as the mother of a special needs child, she remembers needing help that wasn't available.

Touch of Grace caregivers offer a broad variety of assistance from light housekeeping and meal preparation, to bathing, shopping, and simple companionship to residents of Fauquier, Loudoun, Prince William, Culpeper, Fairfax and other surrounding counties. It's very important to Elithia to match caregivers to bestowing a sense of loving and sincere grace on other people is her calling, and she hopes potential clients can see how this affordable care giving option greatly improves one's quality of life. <http://www.dss.virginia.gov/family/children.html>

Family Day Home

Family day homes provide care for six to 12 children (exclusive of the provider's own children and any children who reside in the home). The care may be offered for less than 24 hours in the home of the provider or in the home of any of the children in care. Licensure (or voluntary registration) also is required when care is provided to more than four children under two years of age, including the provider's own children and children who live in the home.

### SNAP (Food Stamps):

Application can be obtained from local agency or online. Individual is encouraged to apply the same day they make contact with the agency.

Individual is required to have an intake meeting with an Eligibility Worker at which time the individual's situation will be discussed and a list of verifications will be completed in order to process the application.

Eligibility is based on GROSS income, number of household members and available resources. State Social Services webpage does have a calculator to assist with eligibility and additional program information.

Fauquier Department of Social Services (DSS) has 2 locations in Warrenton: 320 Hospital Drive, which handles households with adults only & 70 Main Street, which handles benefits for those households with minor children.

### Medicaid:

In Virginia, Children's Health Insurance includes Medicaid and Family Access to Medical Insurance Security (FAMIS) and is available through a single application. Children will be covered by Medicaid if the family's income meets the Medicaid income requirements. Children who are not eligible for Medicaid and who meet the FAMIS eligibility requirements will be covered by FAMIS.

Application can be obtained from local agency or online and does not require an interview. Once application received and assigned to worker, contact will be made as to the verifications required; such as, wages, birth certifications, etc.
